Date of birth

### Lifestyle

This form should only be used if you wish to override the automatic Lifestyle allocation of contributions. For a description of this please see the Scheme booklet.

### Current Funds

If you wish to change the way your current fund is invested, then complete this column below with the percentage of your current fund you would like in each fund. If you do not want to change the way your current fund is invested then leave this column blank.

### Fund Choices

You can EITHER be in a Lifestyle fund OR a number of Self Select funds. If you change from being in a Lifestyle fund to a Self Select fund (or vice versa), please note that both your current and future contributions will be switched accordingly.

### Future Contributions

If you wish to change the way your future contributions are to be invested, then complete this column below with the percentage of your future contributions you would like invested in each fund. If you do not want to change the way your future contributions are to be invested then leave this column blank.

I understand that no switches will take place unless, and until, I give further instructions in writing.

Until I give further instructions in writing I confirm that future contributions into my account should be invested as shown above.

Instructions to the Trustees, to switch assets held on my behalf between funds, will be carried out by Capita as soon as practical after receipt of a correctly completed form. It is not possible to guarantee either the date or the price at which units will be switched. Your switch will be confirmed once it has taken place. **If you have not received confirmation within three weeks of submitting the form you should assume the form has not been received and contact Capita immediately.**
